Michael Page

AUSTIN TECH WEEK 2026 | OCT 25-30

NEARSHORE IN 60 SECONDS

Engineering talent in your time zone.
Without the US price tag.

Nearshore tech teams from Colombia and LATAM, built and managed for US companies.

WHY LATAM WORKS

UTC-5

Same-day collaboration

Colombia matches Austin through Nov 1, one hour apart in winter. Real-time standups, no overnight handoffs.

40–50%

Cost advantage

Lower cost compared to US onshore teams.

600

Talent at scale

IT professionals recruited by Michael Page every month.

WHAT WE PLACE

- Software engineers
- QA / test automation
- DevOps / Cloud
- Data and AI
- NOC / IT operations
- Product and project management

HOW IT WORKS

1 Tell us the team you need →

2 We source, vet and present profiles →

3 Your team starts. Our SDO stays on for onboarding, quality and support
